Description

Set of five very elegant Art Deco dining room chairs from France, circa 1930. The wooden frame is a black lacquered and shiny high-gloss polished (French Polish) beech solid wood. The curving of the backrest, as well as the curved rear legs are very elegantly done with great workmanship. For the completely new upholstery, a similar to 'Hermes' colored orange fabric has been chosen, surrounded by a precious double welt. Excellent condition and great seat comfort.
