Description

1025/5000 Cabinet with corrugated and bevelled front sides and sides, closed by two leaves, resting on the legs of the console. All plated, stained black, polished on so-called French carpets decorated with a brass line creating floral patterns on a tortoiseshell and decorated very richly with golden browns. On the wings of the door, oval medallions surrounded by a gilt bronze profile lath and surrounded by triangular fields at the corners. Upper cornice and base closed by a profiled slat. The front corners at the top and bottom are decorated with rosettes and, at the top, with caryatids. Two shelves inside; mahogany, pear, genuine turtle shell tortoise shell 100% !!!!! gilt bronze, marble France, circa première moitié du XIXe siècle Furniture decorated with "the Bulgarian bakery", technique of decoration
