Description

Following three ceramic cup Sèvres Keramos workshop around 1950 free-form neck with four-lobed neck with a green and white enamel decor. Signature incised under the base of each piece, good general condition, they measure substantially the same 20 cm wide X 8 cm high. The company "Keramos", a small ceramic company with six to eight employees, was located in Sèvres, not far from the famous Manufacture. Created by René Henon, a trained architect from the Ardennes who had established a first workshop in Montrouge, it existed in the 1950s and 1960s. The company was active and even worked for export. She produced small enamelled earthenware objects, flower pots, lamp stands. His productions were bought in another by the artist Colette Gueguen for Primavera.
