Description

Beautiful oil on panel dating from the first half of the nineteenth century and resuming in small size one of the famous self-portrait of Madame Vigée Le Brun: the self-portrait of 1790, or Mrs. Vigée Le Brun represents herself painting Queen Marie Antoinette.

This beautiful painting is in the gallery of self-portraits of the Vasari Corridor in Florence.

Our painting here is an old copy of very good quality and very nicely framed in a beautiful oval frame in gilded wood and stucco.

a slight crack barely visible can be guessed horizontally.

a charming portrait of great freshness.
