Description

Buffet two-body master walnut carved and molded, opening four doors, masterpiece of carpenter or cabinet maker, vintage late eighteenth and early nineteenth centuries. This small buffet is in good condition. It is fully pegged. A note: it has no lock (no keys), traces of restorations in places (especially on the doors at the top), small slot on the plateau of the upper part, some stains on the wood, some small accidents and wear of time, look at the pictures. * Mastery Furniture: Miniature furniture often appears at random sales, wrongly considered as children's toys. Connoisseurs know that these are actually real "masterpieces" presented by candidates who wanted to master after six years of apprenticeship and a few years of companionship. These "furniture of control" are
