

Mechanical Travel Watch In Sterling Silver, Enamelled Vermeil Circa 1900

350 EUR

Period : 19th century

Condition : Bon état

Description

Small cousin shape travel watch in enameled and gilded solid silver. The box is Swiss fabrication, the dial is "France made". The hands and the dial with its typography typical of 1900 and beautiful are in perfect condition. I report small accidents on the enamel in two corners but almost invisible. the watch works and keep the time. The bezel measures 35 mm in diameter, the closed cousin 45 mm on the side for 15 mm high.
