Description

I just found these two beautiful prints in a corner of the gallery of Pau where they slept for almost 20 years until
I took care of it! If I have little information about the German Artist born in 1934 because I do not master the language of Goethe, I see that it is present in various museums and collections.
This is a surrealist composition combining feathers and pigeon on the bottom of the wall, made at the dry point and etching on vellum, proof of artist, signed and dated 1976. 36 X 28 cm on the embossing, 52 X 39 sheet, 56 X 44 sloping frame a little rubbed.
