Description

I just found these two beautiful prints in a corner of the gallery of Pau where they slept for almost 20 years until I took care of it! If I have little information about the German Artist born in 1934 because I do not master the language of Goethe, I see that it is present in various museums and collections.
This is a surrealist composition showing a deformed child dominated by a pigeon, made at the dry point and etching on vellum, 1/20 proof, signed and dated 1976. 34.5 X 28 cm at the embossing, 52 X 37 the sheet, 56 X 42 to the frame with a slightly rubbed slope.
Numerous intercremental stains and slightly curled.
