Description

Rare old painting, oil on canvas, dated / signed lower left Joachim Skovgaard 1877, on the back, representing two horses in a landscape. A leading Danish painter, this youthful work was made before the great tour he made in France (Leon Bonnat workshop then in Italy). Beautiful composition while perspective or the painter, despite a reduced format, managed to give space and depth to its composition. The peaceful charm of the Danish countryside is well represented. Two horses on the left edge animates this field fenced with a hedge in openwork wood. Inscription on the frame on the back, in a gilded wooden frame carrying a cartouche in the name of the painter. From a beautiful collection of Danish painter, on sale soon. Total dimensions 46 cm x 35 cm, table only 37 cm x 26 cm For further
