Description

Beautiful spittoon opaline crystal, edged hem, blown, doubled of pink layer (we see blowing bubbles in places, see photo), Louis Philippe period, for a mansion, good size, easy to take in hand, in good condition.
Dimensions (20.5cm x 12cm).
Pretty diabolo shape, the color is superb, pontil of blowing polished hollow.
Very good condition, no flaws, see our photos.
This object make smile today, but, medically, we can not imagine its interest at the time when Tuberculosis was raging ..
