

Office

3 200 EUR

Period : 19th century

Condition : Très bon état

Width : 110,5 cm

Height : 84 cm

Depth : 57,7 cm

Description

The Chinese speak more about "trunk" about this type of furniture which supports two drawers wide and deep. It is a classic model of the furniture of the Scholars, and it was used to rander, draw, write, which is the use we make of an office. It can nevertheless also be used in console, in an entrance, a room, for example. Clean lines, a sober decoration, make it very current, in addition to its obvious practical aspect.
