

Coral Choker.

140 EUR

Period : 20th century

Condition : Bon état

Material : Coral

Length : 41 cm

Description

This lovely coral branch necklace is meant to be worn with a crew neck. These coral jewels have always evoked for me the summer, the holidays and of course the sea, but this elegant gem will feel as much during the end of the year holidays. It is made using a natural and delicate material, which flatters as much a halted skin as the fineness of a clear skin. Twentieth century.
Necklace length 41 cm
