

Lancel Clock Thermometer Barometer Leather 1950

850 EUR

Signature : LANCEL

Period : 20th century

Condition : Très bon état

Height : 30 cm

Description

Superb and rare table clock of the famous house LANCEL having function pendulum, barometer, thermometer and hygrometer. The set is presented on a leather base resting on small clogs in gilded bronze, on which is fixed a leather round held by small brackets in gilded bronze. On this round of green leather are the different thermometer measuring instruments at the top, hygrometer at the bottom, barometer at the left and pendulum at the right. The movement of the pendulum has been changed but the object remains of very good quality and in excellent condition.
