Description

Oil on virgin canvas with the Madonna child, XIX, taken from Raphael "Madonna with the chair", gilded frame. This Virgin and Child is a cover of Raphael, it was produced in the 19th century, it is of pretty quality, of pretty workmanship. However it is sold unrestored, not cleaned, it remains presentable. The quality is there. The frame is golden but unfortunately accidents: lack of 4 angles, cracks, wear and friction. The canvas compotes two accidents, one at the bottom right, the other at the left in the middle. This painting is not signed but certainly the hand of an artist. For the state thank you to detail the photos. The photos are an integral part of the description.
