### Description

Clock in bronze with two patinas (black and gold) representing a poodle holding in its mouth a small clock with the dial, standing on a plinth with checkerboard patterns, rooster movement signed Berthoud in Paris, vintage early XIXth century. This clock is in good condition and is of exceptional quality. We have the keys, the movement will have to be revised (the suspension works, a cog is off the hook, see photos). A note: some wear on the black patina and gilding, the dial will be reattached in the small pendulette (missing two small screws), some small chips on the enamel of the dial, some scratches and wear of time, look at the photos . Dimensions Dial diameter 3.2 cm Height 13 cm Base 13 cm x 7.8 cm Reference: A10 221 All photos are on:
