

Very Large Trumeau From A Louis XVI Chateau

2 500 EUR

Period : 18th century

Condition : Très bon état

Width : 194 cm

Height : 255 cm

Description

Very imposing trumeau from a Louis XVI chateau in gray lacquered wood carved with roses and garlands, presenting a large oil on canvas decorated with lake scenery.

French work from the end of the 18th century.

Very good condition - some small accidents on the canvas visible in the photos, glass not original.
