Raymond Feuillatte : "great Surrealist Person"

250 EUR

Period : 20th century

Condition : En l'état

Description

Presented in "brut de grenier" this canvas from the surrealist period of Raymond Feuillatte (1901-1971) requires major restoration: made in mixed technique, very dirty, drips have rubbed off the work in places. It is mounted on an "artisanal" chassis made up of three other assemblies and would deserve a real refurbishment which would bring it to the level it deserves. This angular, blue and black character on a green yellow background is dated 1963. His works are kept in the best museums including that of Modern Art in the City of Paris.
Canvas about 150 X 65 cm.
Possibility of shipping without chassis, rolled on mandrel. We have many paintings to restore for restaurateurs, merchants and collectors, especially at our shop in Pau and we only put a few
