Description

This table, the touch of which is reminiscent of Alfred Stevens' writing, is contemporary to him and could also be of Belgian or Dutch origin (if the period and the style as well as the initial of the name correspond to Frederic Hendric Kaemmerer, alas! those of the first names are not the same!). Vigorously and precisely posed, the brushstrokes are flawless and largely brushed. The identity of the Artist still resists me, thank you to the specialists who could put me on his track It is an oil on canvas 46 X 38 cm, re-lined and 67 X 59 cm with a beautiful big golden frame, slightly rubbed .

It bears a SKou LK monogram and an 1875 date, contemporary with the true beginnings of Impressionism.
