Art Deco Vermeil Cufflinks

840 EUR

Period : 20th century

Condition : Bon état

Material : Gold

Description

The central stem, of square section, is decorated with a black sugarloaf stone at each end on one of the cufflinks, and a blue stone for the other. The stones representing the night for the first and the day for the second. They are each capped with an openwork pivoting trapezoid to close the cuff.

Period: 20th century

Main material: silver and vermeil, mixed punch eagle / boar heads.

Proportions: Length of the rod: 22 mm, width: 3.3 mm, width of the base of the trapezoid: 13.3 mm, width of the top of the trapezoid: 7 mm, thickness: about 15 mm.

Total weight of the jewel: approximately 6.3 g.

Ancient authentic jewel - French work of the 1930s.

28 rue de Magenta

Poitiers 86000

Slight lack of vermeil on the central part, very little visible.

Our opinion: These old cufflinks are a great classic, charming.
