Description
-------------

Oil on canvas describing an original still life. This painting has a signature on the left "RG". The palette of colors chosen by the artist is dominated by bright orange tones. In the background, a screen merges into the painting while in the foreground, various objects are present such as a flower in a vase or a beautiful horse at rest. It is undoubtedly an atypical work which has the merit of capturing the surrounding light. In addition, the format 1 meter by 1 meter is very interesting.
