Description

Painter and early illustrator, Victor Adam (1801-1866) left us countless lithographs, by him or according to his drawings, unanimously praised by his contemporaries, especially those on the subject of the horse world. We are just presenting a large pair, lithographed by Guillon after the Master's drawings, "The Arrival" and "The Jump from the Wall". Probably hung on differently exposed walls, one is completely photo-oxidized, while the other has remained very fresh but very pitted, while their frames have been tanned. However, their decorative power has remained great and I therefore do not hesitate to offer them to you. Sheets 46 X 62 cm, images 36 X 55, frame 52 X 68 cm. Do not hesitate to ask us by email or telephone for additional information or photos. We have many objects and paintings to
