Description

Beautiful carved walnut panel decorated with a grotesque face surrounded by vegetation, late 19th century. This beautiful decorative element is very finely worked, the sculptures are both deep and delicate, the details are very realistic. A central figure seems to come out of the surrounding vegetation, he is surrounded by various plants and fruits. Very beautiful craft work allowing to carry out a decoration of medieval / Renaissance spirit. Shipping costs Metropolitan France 20 euros, other destinations contact us.
