Punu Spatula ---- Gabon

320 EUR

Period : 20th century

Condition : Etat d'usage

Material : Solid wood

Height : 42 cm

Description

Very nice wooden spatula ending in a female bust. The chest is suggested by a kind of collar. The face, typical of the Punu people, presents a serene woman with the criteria of beauty of this people, in particular this lobed headdress and the scarifications on the cheeks and those at the level of the ears. Beautiful patina of use.
