Description

Magnificent solid oak display case, painted blue / gray, screened doors. The doors, very nicely curved, are screened in the upper part. The interior, also painted, has 3 boards. Presumably a piece of woodwork. France, 18th Century (Louis XV) Quality furniture which is marked by its age. Used condition: the patina, in some places, has taken on moisture. It is therefore stained (mainly on the sides). The cornice has undergone several restorations, some of which are visible and still have some weaknesses. The back and top have a few slits or holes. The whole remains full of charm and allure and very beautifully crafted.
