Height : 39,9 cm

Description

Oil on wood panel by CHEVALLIER 1878, barbizon scene, natural wood frame. This oil was produced by CHEVALLIER. I think it is Henri CHEVALLIER (1808-1893) is an artist born in 1808. It is a scene which was carried out on a wooden panel. Some wear, friction and scratches are to be noted. The frame is in natural wood, it goes perfectly with the work. We did not have it cleaned, we sold it as is. You will notice a nice work in the sky, in the vegetation, a beautiful rendering. The natural wooden frame is in an acceptable condition. Small wear and friction to report. Blackening at an angle. The whole is from 1878, therefore Napoleon III. For the state thank you to detail the photos. The photos are an integral part of the description. Frame dimensions: Height: 56 cm Thickness: 4 cm
