Description

Amédée Julien MARCEL CLEMENT (1873-?)

Oil on canvas 32x23 cm "The big tree" Around 1920

Signed lower right

Marcel Clément exhibited since 1903 at the Société Nationale des Beaux Arts and at the Salon des Indépendants; His views of Paris, seascapes or landscapes are treated with a firm touch and dark values in the details contrasting with the fuzzy atmosphere of gray-blue reflections, a great simplification of forms, bare and abstract surfaces summarized in a few shots, volumes with voluntary outlines, no concessions to the anecdote and to the facility.

The landscape with the tree which we present is modern of invoice with a concern for simplification and an interesting stylization, with
