

Alfred De Dreux : Large Lithography "horse Race"

240 EUR

Period : 19th century

Condition : En l'état

Material : Paper

Description

This large lithograph comes from a watercolor by Alfred de Dreux (1810-1860), great master of the horse, if ever there was one (it must be said that he was a pupil of Géricault) and is part of the series " Equestrian motifs ".

It was lithographed by Loeuillet and Cicéri who were not bad either (!) And edited by Rittner and Goupil. 29.5 X 39.5 in the image (which is perhaps on china applied on vellum, but I did not disassemble it to check), 47 X 62 by the sheet, and mounted in a large and beautiful frame pitchpin with nets 71 X 57 cm.

Lithography enhanced with watercolor by brush, slight yellowing of the sheet.

Do not hesitate to ask us by email or telephone for additional information or photos. We have many objects and paintings to restore in our shop
