Description

Original work by André Plée (1892-1977), painter active at the end of the 19th century and the beginning of the 20th century. Painter from the Marne Valley, André Plée is a French artist from Dampmart. Dampmart is a commune located in Seine-et-Marne. Its inhabitants are called the Dampmartois. Many artists in the 19th and 20th centuries, including Eugène Batlo, Sacha Finkelstein, Lucien Griveau, Léon and André Plée, paint or evoke Dampmart in their works. His work rubs shoulders with both the palette and the themes of Raoul Dufy Jean Sala or the Nicois Spiro Dimensions (without frame)
