## Description

Generally provided with a rectangular top with flaps, tables of this type, intended for the bedroom, were designed to serve as bedside tables. This lovely little table in solid mahogany and mahogany veneer will seduce you with its originality - its oval top - and its multiple functions. At the same time side table with its folding table on each side, bedside table with its niche formerly intended for the night vase and also worker with its drawers including a deep one which was used to store needlework or wool. Rare model with an oval top very nicely plated with flamed mahogany, with drawers plated with lemon or maple, a refined and elegant work allowing him to easily get out of the room! Good condition. However, it is sold in its own juice with its old pad varnish revealing some signs of
