

## Massive Marquetry Buffet

1 800 EUR

Period : 20th century

Condition : Restauré par notre atelier

Length : 84 cm

Height : 1m 06

Depth : 46 cm

### Description

Art deco period buffet in recycled wood. The craftsman reused transport cases from the 1900 period (wines, confectionery, coffee, etc.). The merchants wholesalers, the manufacturers could thus affix their logo marked with iron, enhanced with ink (advertising of the time). During the restoration, the marquetry being massive, I noticed this on the back when gluing certain pieces. The edge of the board is also inlaid, as is the rounded plinth. Possible delivery not included in the price.
