### Description

Very pretty still life signed lower right J. Simon ?? Artist to identify, certainly Provençal by the composition of his work in which we can see the famous Provençal Tian as well as a jug, both in glazed terracotta. The work is in good condition and very well framed in an elegant nineteenth century frame that measures 95 cm by 81 cm, on the back there is a small restoration that seems old but invisible on the painting side. Very nice painting that can decorate a beautiful kitchen or a dining room.
