

Cameo Gold Ring On Quartz

2 700 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

Description

Contemporary ring set with an intaglio on quartz mounted on its mount representing a mythological scene.

Main material: pink gold, 750 thousandths, 18 carats, eagle head hallmark.

Total weight of the quartz: around 14.30 carats.

Proportions: Height: 17.9 mm, width: 22.5 mm, thickness: approximately 4.7 mm, width of the ring at the base: 2.9 mm.

Net weight: 9.8 g.

Modern item of jewelry - Very good condition -
A small mark on the quartz is at the bottom and is barely visible.

Our opinion: Inspired by antique rings, this intaglio ring is particularly well made.

The history of this jewel: This intaglio represents

Saint Jerome and the Lion. The story goes that the saint was in prayer when he saw a lion arrive, a ferocious predator. When he saw the animal approaching, Jerome noticed that it was limping and crying. A huge splinter was planted in his paw. He took it away and looked after the animal. It is said that the grateful lion never left Jerome until his death, joining him there soon after. Saint Jerome was canonized and became the patron saint of translators.
