Description

Pendulum in white marble and finely chiseled gilt bronze, representing two Cupids or Cupid with bow, arrows and quiver, dial inserted in a small fluted column, ornamentation of stylized foliage and floral garlands, from the romantic period at the beginning of the 19th century. This clock is in good condition and is of high quality. The wire movement works, we have its key and the pendulum. A note: some small accidents and cracks on the dial, tiny little lack on a bronze decoration (see last photo), slight wear of the gilding, micro-chips on the edge of the marble, wear of time, look at the photos.
