The Auricoste House.

Marine watchmaker since 1854. Since its origins
in 1854, Auricoste has been intimately linked to
French aeronautical life.

Its history gives it a special status in the world of
watchmaking where beauty and rigor of the
mechanism are the watchwords.

Its chronographs are considered to be the
measuring instruments of choice by specialists
and lovers of watchmaking mechanisms
worldwide. Auricoste continues to offer its
performance and services to the largest divisions
of the naval and air forces, in France and around
the world.
