

Young Woman Draped In Cast Iron On Base

6 500 EUR

Period : 19th century

Condition : Bon état

Material : Cast iron

Length : 60

Width : 64

Height : 228

Description

Cast iron statue of a draped young woman wearing a crown of flowers in her right hand. It rests on a large cast iron base with 4 richly carved faces of acanthus leaves, animal heads, cornucopias and floral patterns. The base is 90 cm high. Very well made, this statue comes from the Maupassant park in the Bois de Savary in Allonnes in Maine et Loire.
