Description

exceptional nude with three pencils (sanguine, pencil, white chalk) of the great painter Paul cesar Helleu 1872.1927. Magnificent and rare drawing !! The paper has a few bites of humidity, nothing serious. In his juice !! With his Marie Louise and his frame of the time. Purchased by the family at the Toulouse salon in the 1970s. Drawing not common on the art market, used to seeing patterns of elegant Parisians! Here we have a nude superbly made with the technique of 3crayons. 46 cm x 36 cm without the frame and 61x50 with. Interesting format. Notice to collectors !! Drawing of museum !!!
