Description

A magnificent early 18th-century walnut scriban, featuring elegant moldings and exceptional craftsmanship. This finely crafted piece is adorned with delicate wooden pegs, showcasing the meticulous attention to detail and quality of finish typical of the period. Its beautiful golden patina and remarkable state of preservation make it a unique piece, a true testament to the craftsmanship of the time.

An unusual feature of this piece is its footstep, which also serves as a storage chest, adding an ingenious and rare functionality. The generous dimensions--104 cm wide, 93 cm deep, and 112 cm high--make this piece a striking and refined addition, perfect for enhancing a study or living room with a piece rich in history and character.
