### Description

Skeleton pendulum in gilded bronze, decorated with a Love on a swing, rare double escapement movement by Farcot, mounted on a blackened wooden base, from the Napoleon III period of the 19th century. This pendulum is in good condition and is of exceptional quality. We have the key. Farcot movement with two-wheel escapement (patent filed in 1862). The movement works perfectly, it has been completely revised by our watchmaker (it is signed and numbered). The pendulum (the cherub on its swing) swings back and forth, see the film:
