Width : 14 cm pour le profil et 19 cm avec le cadre

Height : 18 cm pour le profil et 23 cm avec le cadre

Description

Beautiful profile of a Greek philosopher, or an ancient priest, in high relief.

this profile is of very good quality and very finely carved probably in a marble which must be a yellow of Siena.

this profile from the 2nd half of the 19th century is very well framed in a pretty black oval frame with gilded border from the Napoleon III period.

a very beautiful profile in very decorative relief.
