19th century, England Inlaid Wood Bookcase measures h min 234, h max 259 cm x w 275 cm x D min 35, D max 64 cm

This large and important bookcase, made in England in the early nineteenth century, is entirely paved with mahogany feather and finely inlaid on the front of the lower doors, with neoclassical decorations such as vases, garlands and sunflowers.
The elegant bookcase consists of an upper part with glass doors and internal shelves.Architecturally it has a central part with two doors and two lateral portions, lower and curved, which create movement, decoration and gracefulness to the whole.The central lower part is in axis with the upper one, while the lateral
