

A Round Scagliola Tray With Flower Decor Ep 19th

1 800 EUR

Period : 19th century

Condition : Très bel état

Diameter : 34.7

Description

A round scagliola tray decorated with flowers

19th century

Scagliole:

From the Italian Scagliola which means

tortoiseshell:

An inlay technique imitating marble, polished with linseed oil, to bring shine.

The complexity of the materials and the technique brings a richness of colours not found in marble.
