

Pierre Eyquem : "symbolist Landscape"

480 EUR

Period : 19th century

Condition : En l'état

Material : Oil painting

Description

Pierre Eyquem is unknown to Bénézit and yet he was one of the Symbolists, delivering to us paintings sometimes inhabited by Dryads, Clouded Women or quite simply, as here, a particular atmosphere that makes us expect to arise a forest elf ...

Oil on canvas signed and dated 1913, 38 X 46 cm, coated with a slightly rugged frame from the black and gold era 46 X 53 cm approximately.

The skewed photo is taken with the flash and is the closest to reality for the colors and contrast.
