Description

Oil on canvas representing a group of musicians in full rehearsal in an architectural setting, one of them cleans his glasses, a second turns a page of scores while reading a second on the reverse of which the artist signed and dated his work "R. Olivier 1890". This charming work, with a naive, sometimes hesitant, or even awkward touch, could be likened to a work by the artist René Olivier (1864-1962) since the theme and spirit of this painting are so close to who animated his work throughout life. Good condition, wooden frame and later gilded stucco. Delivery costs Metropolitan France 20 euro, Europe 30 euro, rest of the world 45 euro.
