## Ignacio Ugarte Bereciartu : "bay Of Bilbao" 1901

14 000 EUR

Period : 20th century

Condition : Très bon état

Material : Oil painting

Description
-------------

This "Sunset on the Serantes in the bay of Bilbao" is by the only Basque impressionist, friend of Benliure and Sorolla with whom he made the "Travel to Italy" essential for the training of any young artist.

A retrospective with an important catalog crowned it in San Sebastian a few years ago.

Superb oil on canvas 33 X 66 cm, beautiful golden frame slightly too large 52 X 83 cm.

Signed and dedicated "to the Friend Leonardo", certainly an Italian met during his Roman stay, full of tasty details like the dog at the bow of the boat or the moon reflecting in the water ....

Preparatory study for the large painting of 1901.
