Description

Under Napoleon III the different styles will be taken up and revisited under the name of "neo Louis XIII, XIV, XV, XVI etc ... In wood and gilded stucco, they allow to frame all kinds of paintings: portraits, landscapes, seascapes, genre scenes, etc ... which will abound during the second half of the 19th century. For a drawing (thanks to its moderate width) or a table, elegance will be there. Its price included a perfect restoration, don't hesitate to contact us to discuss it.
