

Mid-century Italian Wall-mounted Ceramic Sculpture Composition, Monogrammed

1 900 EUR

Signature : GIOTTO

Period : 20th century

Condition : Parfait état

Material : Ceramic

Length : 61

Height : 72.5

Depth : 14

Description

Extraordinary midcentury ceramic sculpture conceived as a picture, framed. "Three countenances" in green - off-white - gray colored combination turned into one sculpture. The background is designed in beige-white colors with sanded texture. The ceramic part is monogrammed G., probably Giotto. Professionally framed in an anthrazite painted frame of 11.0cm which emphasizes the object.
