Description

Very nice pair of chimney crows (part allowing to support the beam of the chimney). They are made of carved natural wood and formerly polychromed. They are richly carved with acanthus leaves, flowers and foliage. Beautiful patina of time. One of the crows is shorter than the other, it had to be severely sawed during dismantling. Several possibilities to highlight them. In crow, of course, but also socés or mounted in lamps. Period XVII th-XVIII th century. Delivery 30 euros in France, 80 euros in the EU and 150 euros rest of the world.
