Pastel Louis XVI Period

980 EUR

Period : 18th century

Condition : Bon état

Material : Pastel

Width : 46

Height : 58

Description

Fallen love .... atypical and rare portrait of a young girl, for whom marriage had to be broken, hence the upside down dove and the attitude with her hand. Rare representation for this pastel of Louis XVI period in perfect condition, with its original frame in carved wood, with frieze striped heart and beaded, old patina
