

Great Orientalist Gouache. The Big Water Wheel.

700 EUR

Signature : signature illisible

Period : 20th century

Condition : Excellent

Length : 55,5

Width : 38

Description

Large orientalist gouache with a very original composition, representing a large wheel for drawing water, operated by a dromedary. Reeds delicately painted on the edge of the river bed, and the ramparts of a city in the background. Nice dimensions, at sight, 55.5 cm x 38 cm. With the frame (half-round rod), 71 cm x 54 cm. Attention on the photos, some reflections due to the glass.
