Description

Elegant fireplace in white Carrara marble, Louis XV style, carved in the 19th century. Its curved headband is carved with an acanthus and twigs of flowers, its eventful uprights are decorated with windings, a shell, a set of moldings and an upright acanthus. A small room is to be noted at the back of the tray. Its body length is 133 cm. The dimensions of its hearth are 98 cm wide and 89 cm high. You can visit our site:
